## Supplement 1

This Supplement presents an impression of each of the five study-locations. The aerial photographs are from Google-earth, and the 'ground' photographs are by the authors, and by Hanneke Elema (the photograph of the Grebbedijk). The approximate location of the ground photograph is indicated by a white star.

### Situation Streefkerk

Situation Marsdijk

Situation Arnhem (Bakenhof)

Situation Grebbedijk

Situation Munnikenland
