The authors forgot to add a funder to the “Financial support” section during proofreading. The corrected “Financial support” section can be seen below.

Financial support. This work is part of the LAGRIMA project (grant no. RTI2018-095772-B-I00) funded by the Ministerio de Ciencia, Innovación y Universidades, Spain. Partial support was also obtained from the Xunta de Galicia under the project “Programa de Consolidación e Estructuración de Unidades de Investigación Competitivas (Grupos de Referencia Competitiva)” (no. ED431C 2017/64-GRC) and the Fundação para a Ciéncia e a Tecnologia and Portugal Horizon 2020 (grant no. PTDC/CTA-MET/29233/2017). This research is part of the RISC_ML project (grant no. 0034_RISC_ML_6_E) supported by INTERREG-POCTEP co-funded by the European Regional Development Fund (ERDF).
