- [Example] Private Sector Innovation for the Sendai Framework
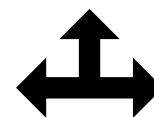

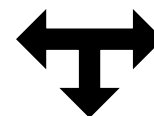

Regional Platforms

- Africa
- Americas
- Asia-Pacific
- Arab States
- Europe and Central Asia

Global Platform for Disaster Risk Reduction

*Purpose: (1) sharing perspectives and priorities, underpinned by evidence, to inform policy and practice, (2) strengthen the networks and mechanisms required for long-term engagement, and (3) hearing from other stakeholders to understand research and technological priorities to support Sendai Framework implementation.
