

Interactive comment on “European education on natural disasters – a textbook study” by B. Komac et al.

B. Komac et al.

matija.zorn@zrc-sazu.si

Received and published: 27 September 2013

0 Abstract: Will add research question and an outlook of results: p. 2256, 5: “The aim of the study is to examine whether there are differences between education on natural hazards in European countries.” p. 2256, 9: “Results show that European countries and regions differ in their focus on education on natural hazards and that in general too much emphasize is put to non-local examples.”

Chapters 1 to 3: See the corrections in the attached file.

Chapter Conclusions: see the attached word file - the chapter was rearranged to Discussion and Conclusions.

C1275

5 References: We corrected the spelling of Wulffen. The spelling of Schmithüsen is correct – see: <http://www.schmithuesen.de/index.html>
