Dear Dr. M. Dubrov,

We would like to thank you for taking time in reading and evaluating our manuscript. Your comments in nhessd-1-C3115-2014-supplement make important points which are insufficient explanations and mistakes in our manuscript. We are extremely grateful. We would like to respond to your comments in the attached supplement.

Please note the supplement.

Best regards, on behalf of all authors,

C3143

Kuniyuki Motojima
