

## ***Interactive comment on “Rockfall hazard assessment along a road on Peloritani Mounts (northeastern Sicily, Italy)” by G. Pappalardo et al.***

### **Anonymous Referee #4**

Received and published: 20 June 2014

Paper mainly of interest for local geologists/communities. For the international scientific society, methods and results must be given more detailed and compared with other state-of-the-art publications. Comments given in attached file "nhessd-1-7167-2013-print\_rev.pdf".
