Received and published: 12 September 2014

Dear Editor and Authors,

I appreciate the detailed responses of the authors and I find the manuscript suitable to be published as it is, in Natural Hazards and Earth System Sciences Journal. The findings would be of general interest for both, researchers and decision-makers flood management community.

Sincerely,

Interactive comment on Nat. Hazards Earth Syst. Sci. Discuss., 2, 5213, 2014.
