

***Interactive comment on “Time-frequency analysis  
of the sea state with the “Andrea” freak wave” by  
Z. Cherneva and C. Guedes Soares***

**E. Bitner-Gregersen (Editor)**

Elzbieta.Bitner-Gregersen@dnv.com

Received and published: 16 September 2014

I would like to ask the Authors for preparing a revised version of the paper accounting for the comments received for the final decision.
