Dear Dr Fuchs,

Many thanks for the review of our manuscript and your positive comments on our paper. We are pleased that you value the scientific relevance of our work and the way it is reported.

We also want to thank you for the suggested technical corrections. We will make sure that the error message is removed in the revised manuscript; and that the reference to the paper by Rojas et al. (2013) now features correctly.

Best regards, on behalf of all authors,
