Dear Prof. Bruce Malamud,

Please find enclosed the revised version of our manuscript entitled “Brief Communication: Rapid Mapping Of Event Landslides: The 3 December 2013 Montescaglioso Landslide (Italy)”. Firstly, thanks for your time and effort spent in dealing with our manuscript. We have found the criticism, comments, and suggestions received from you and the referees very constructive, and we have considered all of them in the revised version of our work. As you suggested, and in order to comply with the referee’s

C830

requirements, we have slightly exceeded the number of references allocated for Brief Communications (24 instead of 20).

Please find here below for your reference the referee’s comments, and in Bold our replies. Changes in the manuscript text are highlighted in Bold Italic.

Looking forward to receiving the final acceptance of our manuscript,

Sincerely yours.

Andrea Manconi (Corresponding author)
