

Interactive comment on “AEGIS: a wildfire prevention and management information system” by K. Kalabokidis et al.

K. Kalabokidis et al.

athanasis@geo.aegean.gr

Received and published: 7 December 2015

One figure and one table are missing in the previous response, due to the fact that the answer was submitted in plain text.

The missing table and figure are included in the attached pdf file, which holds all answers to the comments of the anonymous referee #1.

Please also note the supplement to this comment:
