Dear Reviewer,

We would like to thank you for the comments and also your time to review this paper carefully with details. In supplement, you can find the answers regarding your questions and comments in "Answer.pdf". The corrections have been prepared in "Manuscript.v4.pdf" that is also attached in Supplement. Those in red are the updates. This is not the final version of the Manuscript. We will update the final version, after receiving the other review too. Thank you again for your time and effort and wishing you a great day.
