Dear Sir / Madam

I truly thank you for your very helpful comments on my manuscript

Please find attached my response to your comments titled as:

AC2_Response_to_Anonymous_Referee_2.pdf

that incorporates (at the end of the document) two dedicated supplements following closely your suggestions

[Printer-friendly version](#)

[Discussion paper](#)

- Statistical Supplement - Technical Supplement

I feel obliged to thank you once more for your time and effort spending for improving my work

Thomas I. Petroligkis

Please also note the supplement to this comment:
