Dear Editor,

We would like to modify the title of our paper if possible:

From: "Comparing Thixotropic and Herschel-Bulkley Models for Avalanches and Subaqueous Debris Flows"

To: "Comparing Thixotropic and Herschel-Bulkley Parameterizations for Continuum Models of Avalanches and Subaqueous Debris Flows"

We believe the modified one would represent the main focus of our paper better.

Interactive comment on Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2017-258>, 2017.
