Received and published: 13 January 2018

Dear Reviewers, NHESS,

First of all, we deeply appreciate the reviewers' efforts to evaluate the manuscript and provide a number of valuable comments, and also must thank them for the fact that they spent their precious time in conducting this reviewing process. The authors wish to express their gratitude for these constructive comments and advice given regarding the original manuscript, which will much assist the authors in its revision. Please find the separate file that specifies on how we will respond to all reviewer's comments in the next revised manuscript.
