

***Interactive comment on “The Lituya Bay
landslide-generated mega-tsunami. Numerical
simulation and sensitivity analysis” by
José Manuel González-Vida et al.***

José Manuel González-Vida et al.

jmacias@uma.es

Received and published: 8 December 2018

I do not know where I must include the revised manuscript, I will do here a reduced sized version, with figure 1 missing).

This version marks in red our main revisions for reviewers final check.

Please also note the supplement to this comment:
