

Interactive comment on “Weight analysis of dam break risk consequences influencing factors” by Zongkun Li et al.

D. Patel (Editor)

dhruvesh.patel@pdp.ac.in

Received and published: 17 November 2018

Dear Zongkun Li et al.,

Based on the advice received from reviewer(s), I have decided that your manuscript can be accepted for publication after you have carried out the corrections as suggested by the reviewer(s) and attached in revised manuscript, Therefore the decision that we arrived for this article was: Publish Subject to technical corrections.

Please make sure to submit your editable manuscript files (i. e. Word, PDF)."

Please submit your revised manuscript online by using the Editorial Manager system.

I am looking forward to receiving your revised manuscript in a one week period.
