We thank the Reviewer for her detailed review of our work. We take note of your suggestions to grammatically improve the body text. However, in your specific notes there are some questions and comments that demand a direct response.

Attached you will find the supplementary document in which we discuss all the issues commented by Reviewer 1.

Please, feel free to contact the authors if any further clarification is required.

Best regards

Txomin B., Massimiliano A., Mauro R. Ivan M.
