Geneva, 25 February 2019

Dear Editor,

We have revised the manuscript “Exposure-based risk assessment and emergency management associated with the fallout of large clasts” by Sara Osman, Eduardo Rossi, Costanza Bonadonna, Corine Frischknecht, Daniele Andronico, Raffaello Cioni, Simona Scollo, addressing all comments/corrections of the Editor. Herein, we report the specific Comments to the Author (in red) and our answers below. We hope that the changes introduced in our manuscript have improved its quality and that it may now be accepted for publication in Natural Hazards and Earth System Science.

Best Regards,

Costanza Bonadonna,

On the behalf of all authors

**Answers to Comments:**

**I highlight minor technical corrections regarding the numbering of the figures. Please check page 25 (Table 3 should be Table 1) and page 27 (figure 2 should be figure 1).**

Errors in numbering Table 1 and Figure 1 now corrected.

**Amend acknowledgements for DPC**

Acknowledgements amended to include suggested text:
