

Response Letter to Reviewers Comments on [NHES-2019-166#R4](#)

Dear Prof. Merz

Many thanks for the quick review and constructive comments on the manuscript “Annual flood damage influenced by El-Niño in Kan River Basin, Iran” from you and the reviewers. We carefully checked the details and language of the manuscript and improved its context with the help of a native English speaker. The authors would like to thank you again for your time and consideration.

Regards
