Interactive comment on "Website – Spatial database for reservoir-triggered seismicity in Brazil" *by* Eveline Sayão et al.

Eveline Sayão et al.

sayaoeveline@gmail.com

Received and published: 26 March 2020

In a single file atacched down below there's a response for the referees. The figures are also inside that file, and so they are downloaded at this site.

Please also note the supplement to this comment:
