Dear Efim, thank you very much for your positive comment. We are very honored that you appreciated our work. About the problem you highlighted in connecting to the webapp, I would like to say that at present the webapp can be accessed through the following website: <https://tsunamiarchive.ingv.it/ited.1.0> clicking on the available link at the Data Access section: <http://ingv.maps.arcgis.com/apps/webappviewer/index.html?id=a14231712588470ea1c4454>

Please, let us know if you can access the webapp in this way. thanks Alessandra
