Dear Referee #1,

We would like to thank you for reviewing our paper and for the constructive comments. We agree with most of the suggestions and the manuscript will, therefore, be modified to consider your comments. In the point-by-point response (supplement to this post), we recall all the comments and we provide an answer to each of them comments. Your comments are constructive and helped us to improve our paper.

Yours sincerely, Yasser Hamdi on behalf of the co-authors.

Please also note the supplement to this comment:
