

To the Editor of *Natural Hazards and Earth System Sciences*  
Dear Prof. Dr. Joaquim G. Pinto

Thank you very much for evaluating our revised manuscript and decision. We are very happy that our manuscript has been accepted with correction. We corrected the suggested mistyping and please note that the corrections are shown in red color.

Again, we really appreciate for the editor's kind consideration, evaluation and making decision throughout the reviewing process of NHESS.

Sincerely,  
Shunya Koseki
