Received and published: 25 September 2020

We appreciate the thorough review of our manuscript and the constructive feedback provided by Adrien Favillier. In the Supplement we address each comment and reference the changes in the revised manuscript. We are pleased that the reviewer recommends this work be published in NHESS after the appropriate revisions are addressed. We've posted the responses below for timely discussion and will provide a complete revised manuscript after receiving comments from other reviewers and the editor.
