Dear Referee #1,

We would like to thank you for your constructive comments and for taking the time to critically review our manuscript. We do appreciate your constructive, thoughtful, careful, and helpful comments and suggestions. After careful discussions and analyses, we finished the preparation of responses to you. We recall these comments and we reply to each of the comments in turn (outlined by “<Authors’ reply>”). In supplement document (to this letter), we send all responses to mentioned comments.

C1

If there are any new comments or suggestions, please let us know.

Best Regards, Paulo Victor N Araújo and coauthors
