

Executive editor

We would like to thank the Executive editor for their feedback. Please find our responses (in blue) to the main points raised (shown in black) below.

Dear authors,

thanks for your effort regarding the readability of the figures. I think it is a bit better, but I'd leave possible further considerations for the technical editor.

From my side, the paper is now accepted for publication.

thanks for submitting your original work to NHESS

best regards,
Joaquim Pinto

Thank you.
