Response Letter: Characteristics and coastal effects of a destructive marine storm in the Gulf of Naples (Southern Italy)

Dear Editor,

on behalf of all the coauthors, I am glad to submit the revision of our manuscript,

Characteristics and coastal effects of a destructive marine storm in the Gulf of Naples (Southern Italy),

we carried out almost all suggestions/changes proposed by reviewers and Editor.

In closing this letter, we wish to thank again the Editor and the reviewers for their great help in improving our manuscript.

With my best regards,

Dr. Diana Di Luccio
