

# Response to Editors and Referees

Dear editors and reviewers,

We appreciate the time and effort you expended in providing valuable feedback and handling all the processes for our submission. We have considered and addressed all the suggestions provided by the editors, reviewers, and scientific community. As we summarized all the comments, we have uploaded the final revised version to the NHES editorial office.

Regarding our submission, we eagerly await your response and look forward to answering any additional inquiries and comments you might have. We appreciate the editor and reviewers' efforts and thank you once again.

Sincerely,

Chu-En Hsu, Ph.D.
